

## Traffic Flow Map for Cedar Park Middle School – Special Events

Students may be picked up in the North or East or South Parking Lots (see map on right).

### Access to CPMS from Cypress Creek Road for Special Events (see map below)

**Loading Zone 1 School Buses and Charter Buses**— Students should enter/exit vehicle from the passenger side. Driver will exit this zone by signaling and moving to the center lane. Watch for students & other vehicles. Vehicles carrying school equipment or students will also use this zone.

**Loading Zone 2** – Students should enter/exit vehicle from the passenger side. Students will use sidewalk behind fence. Drivers will exit this zone by signaling and moving to the left. Watch for students and other vehicles.

**Loading Zone 3** – Students will use crosswalk to get to center parking lot then walk between parked cars and vehicles waiting in Loading Zone 3. Students will enter/exit vehicle using *driver's side* of vehicle. Use this zone when other loading zones are full. Watch for students and vehicles. Drivers of parked vehicles will wait until it is safe to Exit.

**Safety First:** You may also use the North and South Parking lots off of Sun Chase Blvd following instructions for student loading zones. Drive slowly and watch for students. Once the vehicle is stopped and is in park, students may enter/exit vehicle. Pedestrians should look for other vehicles in motion. Drivers should anticipate others that are not familiar with the loading zones and traffic flow.
