

## 2018 QUEST-GT Secondary Summer Testing Dates

The below dates are scheduled for new to Leander ISD secondary students or for returning LISD secondary students (entering grades 6-12) who wish to be tested for the LISD QUEST-GT program.

**\*\*Current Leander ISD QUEST students do NOT need to be retested to move to middle or high school QUEST.\*\***

*(Please note that elementary students (**entering grades K-5**) should **NOT** come to these screening dates. First – fifth grade students are screened on their campuses during the first weeks of the new school year, and kindergarten students are screened in January.)*

### **PLEASE BRING to TESTING SITE:**

If you plan for your student to be screened and tested for QUEST-GT, please bring to the testing site the following materials:

- Student's 2017-18 report card
- Achievement Test scores or State Testing scores
- Documentation of previous gifted testing scores, if applicable
- Students should bring books or mutable game devices and snacks for breaks in the screening/testing process.

### **TESTING SESSIONS:**

- There are two testing sessions on each date.
- Students may come to either the 9 a.m. or the 1 p.m. session.
- Students may come to any testing date, no matter which secondary campus they will attend in 2018-19.

Screening/testing is untimed, and thus students may take from two to three or more hours, and may be asked to return a second date to complete the screening/testing process.

### **TEST REGISTRATION:**

**\*\*Please email [kathy.wood@leanderisd.org](mailto:kathy.wood@leanderisd.org) to register your student(s) for whichever date is most convenient for you.**

- Wednesday, June 20 at Henry Middle School (HMS) Library
- Tuesday, July 10 at Canyon Ridge Middle School (CRMS) Library
- Thursday, July 19 at Canyon Ridge Middle School (CRMS) Library
