

January 12, 2018

Dear Eighth Grade Students and Parents:

On January 12, 2018, an 8th grade assembly was held to inform students of eligibility requirements for the 8th grade picnic. The 8th grade picnic is an earned privilege, so all LISD middle school assistant principals will be meeting with their respective campuses to discuss the consistent guidelines and expectations that have been established.

It is critical that all students and their parents understand the eligibility requirements. Eligibility is primarily based on a student's behavior and attendance.

The expectations are as follows:

- A student may receive no more than **three (3)** disciplinary referrals between January 12th and the date of the picnic in June.
- A student may not receive **ANY** I.S.S. or L.E.O. assignments from now until June 7th.
- Students who have been assigned Saturday Clock Hours to make up absences must have their time completed in order to be eligible to attend the trip.
- All textbook and library fines must be paid by June 7th.
- All cafeteria charges must be paid by June 7th.
- Any Lenovo issues must be resolved by June 7th.

Our 8th grade picnic will be held at Milburn Park the last week of school in June.

If a student does not meet any of the expectations listed above, he/she will be staying at school for the day.

_____ I have read and understand the eligibility requirements for the 8th grade picnic.

_____ I give my child permission to attend the 8th grade picnic the last week of school in June.

_____ I do not want my child to attend the 8th grade picnic.

Student Name: _____

Student Signature: _____

Parent Signature: _____
